

Yesterday Vayasa Class on Dasmasa, was held at AD design school, as decided, an honor given by Sh Rath ji was well respected and responded with whatever knowledge I had on the subject .

The class went well , Initially the importance of Navamsa , a route to Dasmasa, was discussed and a new technique of application of current Navamsa position on Natal Rasi Chart was explained for timing of events. How dasmasa chart works in tandem with navamsa was explained, then we learnt the lineage कर्म भाव में -क्या है? → क्यों है? →, कैसे है→ कब है → (और कामयाबी कहाँ है) all khandan. It would be continued next week to complete the topic as per schedule.
